HELLO THERE, WE ARE DONKEY

a Hamburg-based design brand that develops and curates one-of-a-kind lifestyle and interior objects.

And who might you be? Are you the people who love a good idea? The ones who love a blend of design, storytelling and entertainment? Those who love creativity, out-of-the-box-thinking and ordinary things with an extraordinary twist?

Because if you are, then you are the reason why we go to work everyday with a smile on our faces, burning to create things that put an even bigger smile on yours. As Donkey, we have stubbornly been perfecting the art of making people happy since our inception in 2008. And we are only just getting started.

Donkey.
We create happiness.

Once upon a time...

Legend has it that it was an old German tradition to hide an ornamental pickle on the christmas tree as one of the christmas decorations.

On christmas morning, the first child to find the pickle on the tree would get an extra christmas present from Santa and would be said to have a year of good fortune.

Einer alten Legende nach war es in Deutschland ein gängiger Brauch, eine Christbaumkugel in Form einer Gurke im Weihnachtsbaum zu verstecken. Das erste Kind, das diese am Heiligabend im Baum entdeckte, bekam ein Extra-Geschenk und würde ein Jahr lang von Glück gesegnet.
