

AUTUMN / WINTER 2025

DESIGNED FOR YOU

Our collections are developed in our design studio in the Netherlands. We are constantly looking for trends in lifestyle, home and the environment and talk to our customers about their needs.

You will find a button with our handprint on every Handed By product, showing that you have a unique, high-quality and trendy product in your hands.

RECYCLED FOR YOU

Handed By collections are made from recycled plastic. By using recycled plastic, we slow down the process of exhausting the earth's natural resources. By making sustainable products that last almost a lifetime, we generate even more positive impact on the environment.

FAIR MADE FOR YOU

All weaving groups that work for Handed By are BSCI certified. This means that social norms are safeguarded and monitored throughout the entire weaving process. 'Fair made' products are changing the way trade works, through better prices, decent working conditions, a fairer deal for our weavers and of course using a selected range of sustainable materials.

HANDMADE FOR YOU

All our products are handmade in China and Vietnam. The social impact we create, is to support more than 400 families and help them improve their lives.

Everything we design is manufactured in an ethical and responsible way, in which 100% free of child labour is guaranteed.

CONTACT & SERVICES

Our sales team at our headoffice in The Netherlands will be pleased to advise and assist you with your questions or sales enquiries. You are welcome to contact us by phone, e-mail, fax or via our website.

AGENTS & DISTRIBUTORS

In most European countries, in the USA, Australia and Japan, you will get full service and support from our agents and distributors. See our catalogue for further details. They know exactly what products and colours are most successful in your country. You can also contact the headoffice for more information.

EVERYTHING ON STOCK

Retailers are free to purchase any quantity of goods from us, either large or small. This is something that smaller shops find especially useful. This means that no goods will remain on the shelf and there is no need for the shop to build up a stock of our products. We will make sure that most of our products are constantly on stock at our warehouse. This enables our customers to purchase additional items on a weekly basis, to replace the items that have been sold.

ORDER ONLINE

As we strive to offer you an excellent service, you can order online, 24 hours a day and with the highest level of service you have come to expect from us. Our efficient and secure ordering system ensures that your order is quickly processed and dispatched. In our online shop you can find our entire product range, new collections and products that are in sale, which we can all supply from stock.

Go to www.handedby.com, click on retailer site, log-in with your personal code and order.
