

AUTUMN / WINTER 2026

CRAFTED FROM WASTE

In a world where throwing things away has become easy, we choose to reuse.

Our baskets and bags are carefully handwoven, giving plastic a second life, turning leftover materials into something beautiful, durable and unique. Each product tells a story of craftsmanship and dedication. In the rural villages of China and Vietnam, local artisans weave them with care and precision after working in the corn and rice fields.

By giving waste new purpose, we create not only distinctive, user-friendly and sustainable products, but also contribute to a circular production process. What was once considered waste is transformed into something valuable; a product that is gentle on the planet and supports the livelihood of its makers.

Our products are thoughtfully designed, fairly made and sustainably crafted.

CONTACT & SERVICES

Our sales team at the headoffice in The Netherlands will be pleased to advise and assist you with your questions or sales enquiries. You are welcome to contact us by phone, e-mail or via our website.

AGENTS & DISTRIBUTORS

In most European countries, in the USA, Australia and Japan, you will get full service and support from our agents and distributors. See our catalogue for further details. They know exactly what products and colours are most successful in your country. You can also contact the headoffice for more information.

EVERYTHING ON STOCK

Retailers are free to purchase any quantity of goods from us, either large or small. This is something that smaller shops find especially useful. This means that no goods will remain on the shelf and there is no need for the shop to build up a stock of our products. We will make sure that most of our products are constantly on stock at our warehouse. This enables our customers to purchase additional items on a weekly basis, to replace the items that have been sold.

ORDER ONLINE

As we strive to offer you an excellent service, you can order online, 24 hours a day and with the highest level of service you have come to expect from us. Our efficient and secure ordering system ensures that your order is quickly processed and dispatched. In our online shop you can find our entire product range, new collections and products that are in sale, which we can all supply from stock.

Go to www.handedby.com, click on retailer site or scan the QR-code, log-in with your personal code and order!
